

## **Bauerfeind LumboLoc® Back Support**

Bauerfeind LumboLoc Back Support provides effective support for the lower back to relieve back pain.

### **Product Features:**

- Knitted lumbar support stabilizes and relaxes the lower back muscles
- Promotes functional therapy; does not restrict muscle activity
- Oblong-shaped stays contour to the anatomy while providing therapeutically effective and desired support
- Promotes proprioception, thus heightening sensory awareness in the lower back for increased stabilization
- Velcro fastenings and hand straps allow for easy application and adjustment, even for people with arthritis
- Lightweight, breathable knit will not retain heat and is machine washable

### **Can be used to prevent:**

- Low back pain
- Degenerative spinal conditions
- Invertebral disc weakness
- Minor postural disorders

### **LumboLoc**

Size	Loose Circumference in inches	Item #
1	27 <sup>1/2</sup> - 31 <sup>1/2</sup>	12184003080001
2	31 <sup>1/2</sup> - 35 <sup>1/2</sup>	12184003080002
3	35 <sup>1/2</sup> - 39 <sup>1/4</sup>	12184003080003
4	39 <sup>1/4</sup> - 43 <sup>1/4</sup>	12184003080004
5	43 <sup>1/4</sup> - 47 <sup>1/4</sup>	12184003080005
6	47 <sup>1/4</sup> - 51	12184003080006

Size is determined by loosely measuring the circumference below the waist
